REPORT ON AWARENESS SESSION ON GRE, IELTS & TOEFL AND ON OVERSEAS EDUCATION

Title of the Program:	Awareness session on GRE, IELTS & TOEFL and on overseas education
Resource Person:	Mr R Mallikarjun
Name of the Organization:	Leo Global Overseas
Date of Program:	10-10-2019
Venue of the Program:	G1(Computer Center)
Number of students Attended:	336

The objective of the program is that students gained insights into various non engineering job opportunities that are available in the market and the means to seek those jobs. Most of us are aware of the exams IELTS and TOEFL, and how they form an integral part of college admissions. Both IELTS and TOEFL exams are necessary to be taken for both undergraduate and graduate degrees. If you are planning to pursue your graduate studies abroad, then GRE or the Graduate Record Examination is mandatory. If you are someone aspiring to study management abroad then GMAT or Graduate Management Aptitude Test will open the gateway. Students interacted with resource person Mr R Mallikarjun and asked him for important tips to get into various government jobs and competitive exams. The session provided a great exposure to the students as they will now have more insights on engineering as well as non engineering jobs. The program was highly successful as 336 students participated in the program very actively.
